

Peeling Test Center

DORNOW - Peeling Test Center

Realistic peeling tests with mechanical peelers
of different construction types for peeling
tubers and root vegetables, partially suitable for fruit and
other cooked natural products

Aims of our Peeling Test Center:

- **development of new peeling methods,**
- **minimisation of peeling waste,**
- **improving of peeling results,**
- **avoidance of waste water,**
- **development of solutions for peeling difficult products, too.**

We would be pleased to present you our mechanical peeling machines of various construction types.

Or: You can test peel their own raw products (tubers, root vegetables, fruit a.s.o.) in our DORNOW Peeling Test Center. Certain products as e.g. cooked potatoes, beetroot and others can be peeled **after being boiled**.

The following machines are available. In most cases, they work without water and / or waste water:

1. **A continuous multi-disc-peeling machine MSS-A** optional with different blades, carborundum or other discs, brochure enclosed,
(website see www.dornow.de, "Product Information", section A, subsection A.-1, here A. Most important DORNOW-Peeling Machines item A.-1.2)
2. **A continuous roller peeling machine** with a diameter of the internal space of approx 1200 mm,
(website see www.dornow.de, "Product Information", section A, subsection A.-1, here A. Most important DORNOW-Peeling Machines item A.-1.1 and A.-1.32)

3. further: **several, smaller peeling machines.**
(website see www.dornow.de, "Product Information", section A, subsection A.-1, here A. Most important DORNOW-Peeling Machines item A.-1.6)

A small fee will be charged. Our office will inform you accordingly. The peeling test to be undertaken should be discussed over the phone prior to it taking place.

More and detailed information can be found at: www.dornow.de, "Product Information", "Section A - Peeling machines, peeling systems, peeling technology".

A list of interesting articles and essays regarding the topics of the preparation and processing of tubers and vegetables and associated specialist areas can be found at our Internet site at www.dornow.de, Treatises.

This paper contains non-committal notes. We do not lay claim to completeness. Alterations reserved.
Our order confirmation, accepted by our customers, is in effect upon delivery. - The presentation of a new edition of this treatise will substitute for any previous versions.
